

May 24, 2023

Dear Chief Hobley-Burney,

We at Project Lift are requesting your monetary support for our summer program in carpentry. Help with construction supplies would be greatly appreciated. As you know we are a mental health and substance abuse facility for our Fort Pierce teens and utilize the skilled trades in welding, carpentry, plumbing, auto mechanics, and the marine industry for replacement behavior and moving our 17-22 year olds into the work force. Our graduating class in February 2023 has 10 of our young men working at Direktor, Porch Factory, Twin Vee, and Natalie's Juice Company. We can't do this without local support. Strong minds and skilled trades. Thankyou so much for all you do in keeping our community safe.

Sincerely,

Shawn Keil
Regional Development Director
