Good morning again,

Attached is the required Business Tax Receipt from Martin County. Thank you for the guidance, help and timely responses. I hope it is not too much to ask but if you have a rough ETA on the turnaround time for processing it would help me to relay to my client. Please let me know if there is anything else I can do to help the process. You have been great to work with. Thank you again and have a great day.

Good Morning,
We will need your current local business tax receipt. It looks like on the application you put that your business is located in Stuart, so you will want to reach out to the City of Stuart to obtain a Business Tax Receipt with them. Their phone number is 772-288-5319.

Good evening,

My name is Joseph Bonomo and my company is Bonomo Home Services LLC.. Attached are the documents for state certified contractors. I do not have a local business tax receipt but I have my application for the state tax ID with company address included. Also, I did not include the company authorization because I am the qualifier and owner/operator. Please let me know how to pay the \$25 fee and proceed. I would like to apply for a duct replacement permit in a timely fashion as this is an owner tenant issue. Thank you in advance. Have a great evening.

Best Regards,

Joe Bonomo
