Why do you want to be involved in the City of Fort Pierce Youth Council?
I would love the opportunity to be apart of the Fort Pierce Youth Council because I want to help make a difference in the City especially if it benefits the majority while looking out for the minority

Describe your ideas and goals for this Council and how they can benefit the Community.
I want to help highschool students with a brother sister program, In School especially being new it was extremley hard to adjust and it would have helped if I had someone who felt these same things I felt.

If you could change one thing about the city, what would that be and why?
I would change the amount of homeless people in the rural areas of Fort Pierce and the Senior discrimination. A lot of homeless people are Senior Citizens and a lot of Senior Citizens get cheated out of fairness, I want to change that even if its little by little.

What are you passionate about?
Im passionate about marketing I love to help my mom at her Senior community center and she has me form the Itenerary for them with Calenders and posters and I enjoy it alot!
