Q4

What kind of businesses or developments would you like to see in the City of Fort Pierce?

High end senior living facilities are needed for an aging population and provide good paying jobs. The state college also needs to expand their hospitality training programs as thus benefits tourism in our area.

Q5

What is the name of your neighborhood?

South Beach / Hutchison Island

Q6

Please describe other concerns or needs in your neighborhood.

Addressing crime and public safety in Ft Pierce should be City's #1 priority. Residents and tourists need to feel safe in order for the community to prosper.

Q7

Please list ideas on how the City can partner with citizens and organizations to help make your neighborhood a more desirable place to live.

The Orange Avenue corridor needs to be improved as this is the gateway to our city from I-95. Visitors need to feel welcomed and safe. The first impression is they are about to drive into a ghetto.

Q4

What kind of businesses or developments would you like to see in the City of Fort Pierce?

We need a City wide recreation programming for kids and adults.

Q5

What is the name of your neighborhood?

Sunrise Terrace

Q6

Please describe other concerns or needs in your neighborhood.

So with all the needs in this neighborhood with missing sidewalk sections (in the very few existing sections), poor lighting, Public Works decided to paint lines on 26th street. No fixing the numerous potholes that seem to crop up daily. Painted lines on a quiet residential street. Yet, painted no lines on the road that gets traffic from the school to the West.

Q7

Please list ideas on how the City can partner with citizens and organizations to help make your neighborhood a more desirable place to live.

Sadly, the majority of recreational programming is "for profit". We don't need to partner with anyone, we need to do it ourselves. Sadly, in the survey above, you ask "Improve City facilities, (parks and libraries, etc) when the question that needs to be said, NEW Parks, not just upgrade the ones we have. With this rampant growth, we need NEW parks, beach/river access and green space, the density at current facilities will be increasing dramatically. Is no one looking at this? But the knowledge on how more parks, greenspace, kid's rec programs and lead to better economic outcomes seems to be lost on our current City Commission and the people that implement current policy.

Hibiscus Park

Q6

Please describe other concerns or needs in your neighborhood.

Landlord accountability!!! Habitat and SHIP help increase homeownership, but many people remain in rental housing due to housing prices and interest rates. Renters deserve properly maintained homes - and so do their owner-occupied neighbors. Many of our community's rental residential properties drag down home values and keep rentals in unacceptable living conditions.

Q7

Please list ideas on how the City can partner with citizens and organizations to help make your neighborhood a more desirable place to live.

Working with neighborhood organizations, HOAs, and others to engage residents.

Q4

What kind of businesses or developments would you like to see in the City of Fort Pierce?

I would love to see, ross come to the old Kmart plaza or even anywhere in fort pierce. Burlington, target, h&m, sephora ,ulta , top golf, bowling arcade, cheesecake factory, millers, duffys, zara, entertainment nightlife I'm young and it's boring here. Diversity entertainment downtown or anywhere. Anything to keep my money in my city. Also I'm for the fishermans wharf project. We need more stores downtown. Big company stores. Paint jobs as well. Some building colors look like the 90s, modernize it a little. That the only way people will want to invest, eye catching is the key. Port st lucie is thriving while we've been struggling since I was a kid.

Q5

What is the name of your neighborhood?

Oleander

Q6

Please describe other concerns or needs in your neighborhood.

Roads need some fixing, side walks and cleanliness

Q7

Please list ideas on how the City can partner with citizens and organizations to help make your neighborhood a more desirable place to live.

The city of Fort Pierce first needs to start by making it look nice and stay nice. Sabal palms plaza looks broke down and cheap. The parking spaces need to be re done, the outside sitting area in front of movie theater needs remodeling. The city looks beat up, that's why no big corporations are willing to invest. Add some palm trees and make the buisness in those plazas update there signs from forest green to something more appealing. This city will never grow if we allow it to look abandoned. We have land everywhere but yet barely any apartments or shopping malls or nice luxury places to hang out.

Q5

What is the name of your neighborhood?

South Hutchinson Island

Q6

Please describe other concerns or needs in your neighborhood.

A1A traffic. I'm talking about the number of vehicles passing other vehicles despite the double yellow line. I'm talking about the excessive speeding, not cars going 40 but cars and doing 70 or 80. And motorcycles, particularly on Thursday evenings going south 100 mph or more when they pass Blue Heron. Also, when I stop at the intersection of U.S. 1 and Seaway Drive every morning about 6:15, every car ignores the no turn on red sign. Take the sign down if you don't intend to enforce it.

Q7

Please list ideas on how the City can partner with citizens and organizations to help make your neighborhood a more desirable place to live.

Identify nuisance neighbors and businesses to make the city a friendlier place to live. Fix the zoning so that people can't run mini hotels in the middle of residential neighborhoods.

Q4

What kind of businesses or developments would you like to see in the City of Fort Pierce?

Tasteful development with layered landscape larger trees with a canopy for shade and screening from commercial. Local businesses that serve the people less corporate no more Dunkin donuts or family dollar ...

Q5

What is the name of your neighborhood?

South Hutchison island

Q6

Please describe other concerns or needs in your neighborhood.

More trees to line streets and give shade and to elevate the look boosting property values. No more tacky speed tables with signage. Instead plant more trees on sides of the road to create shade tunnels ...this automatically slows traffic. Or curb tapering where plantings dip into the road where one aside has to stop and wait for others to pass.

Q7

Please list ideas on how the City can partner with citizens and organizations to help make your neighborhood a more desirable place to live.

Give tax incentives and rebates to go solar to paint to plant trees....

Q5

What is the name of your neighborhood?

jetty park

Q6

Please describe other concerns or needs in your neighborhood.

The amount of people living out of their cars/RVs/ campers parked every night in and around jetty park needs to be addressed by the FPPD It doesn't need to be reported. All the cops need to do is address it. Its blaringly obvious . On weekend nights Police need to address the cars/Motor bikes with super loud radios. Also a larger sign when entering the Jetty letting people know dogs/pets are not permitted.

Speeders on Sunrise and Oleander who have killed!!!!!! And getting ready to do it again.

Q7

Please list ideas on how the City can partner with citizens and organizations to help make your neighborhood a more desirable place to live.

The city is great about teaming up with non-profits and service organizations. Fort Pierce businesses are suffering from outsider greed - those owners who don't live here and use FP as income-generators and who don't care about the FP people. No sure there is an opportunity to team up with them, but there are residents who are mimicking these outsiders. A SENSE OF TOWN by landowners here bonuses might help with this issue. Live here, give back here, get a bonus.

Q4

What kind of businesses or developments would you like to see in the City of Fort Pierce?

I am diametrically opposed to Kings Landing, and all of the (supposed)"revitalization" of our waterfront!! You are trying to turn it into another West Palm or Riviera Beach. It will bring such a disparity between uber wealthy, (who are moving up from the south),middle class, and poor. Take care of citizens of Fort Pierce!!!

Q5

What is the name of your neighborhood?

Holiday Pines

Q6

Please describe other concerns or needs in your neighborhood.

We are not in "City limits", so we are policed by the St Lucie Sheriffs office.

Q7

Please list ideas on how the City can partner with citizens and organizations to help make your neighborhood a more desirable place to live.

Start making Ave D, and or those neighborhoods off US 1 more desirable. Pick up trash, etc. Those neighborhoods are within walking distance of the water, and the neighborhoods looks like a blight. How can some people be shown how to take pride in what they have, and pride in their OWN neighborhood?
