Hereinafter called Owner, in the penal sum of _____

THE CONDITION OF THIS OBLIGATION is such that whereas, the Principal entered into a certain contract with the Owner, dated the ____ day of __, 2023, (Date to be filled in by Owner) a copy of which is hereto attached and made a part hereof, **to furnish and install Annual Street Resurfacing, Bid No. 2023-044.**

The Surety shall be bound by any and all arbitration awards to the same extent as Contractor is bound. All dates to be filled in by Owner.

NOW, THEREFORE, the condition of this obligation is such that if Principal shall promptly make payments to all claimants as defined in Section 255.05(1), Florida Statutes, supplying Principal with labor, materials, or supplies, used directly or indirectly by Principal in the prosecution of the Work provided for in the Contract, then this obligation shall be void; otherwise, it shall remain in full force and effect, subject, however, to the following conditions:

4. Any changes in or under the Contract Documents (which include the Plans, Drawings, and Specifications) and compliance or noncompliance with any formalities connected with the Contract or the changes therein, shall not affect Surety's obligations under this Bond, and Surety hereby waives notice of any such changes. ANNUAL STREET RESURFACING

BID NO. 2023-044

ADDENDUM NO. 1

The purpose of this addendum is to respond to questions submitted by potential bidders for clarification of the bid specifications and to provide a REVISED Bid Response Form:

- 1. QUESTION:** The specifications say that this is a 3-year job with 2-1 year options for extension. Are the quantities that are shown on the bid form, typical of the amount of work the City intends to perform per year or is this all the work the City intends to do over all 3 years?

ANSWER: **A Revised Bid Form is attached with updated estimated quantities. The quantities estimated include all of the roadways listed in the bid documents and will be paid on actual in-place quantities. (See Attached)**
- 2. QUESTION:** Included with the bid documents for this project was a 5-page set of drawings labeled '2023 Street Resurfacing Program'. The streets shown on these drawings are the first 9 streets on the list of 'Resurfacing Candidates'. The quantities provided on the plans for these first 9 streets vary greatly from the quantities on the Bid Form. For example, the area shown on the '2023 Street Resurfacing Program' total 51,363 syds where the bid form only shows milling of 30,000 syds. Is it the City's intent to do all the streets shown on the '2023 Street Resurfacing Program' or only 30,000 syds of streets on that program?

ANSWER: **A Revised Bid Form is attached with updated estimated quantities. The City's intent is for the nine (9) streets included in the plan's sheets be completed in 2023. The remaining streets are targeted for future years. (See Attached)**
- 3. QUESTION:** Will the only price adjustments allowed be for the FDOT Bituminous Index or will the contractor be allowed to petition for increases as the need arises?

ANSWER: Contractor price increases will be allowed at the renewal options (after the initial three years).

5. **QUESTION:** Will the contract exceed the 3500-ton bid quantity or is it capped to that amount?

ANSWER: The quantities included in the bid documents are TIMATES; some contingency amount has been added however, the actual quantities will be paid based on material tickets for each roadway.

All other conditions of this bid remain the same.
