Subject: Kudos for Roger

Good evening Team,

I received a called from a resident out on Thumb Pointe that raved about Roger. Her grandson has a tremendous interest in big trucks. He waits for Roger faithfully. One day he waved Roger down and he took the time to stop and entertain the young man. He gave him some promotional items and also the grandmother thinks that he took a selfie with him. She just wanted to call in and thank him for his kindness and also let management know how well of a job that he does. (Rebecca Seaman)

Warmest regards,
