RE: Small Business/Marketing Grant Award

Dear Small Business Grant Applicant:

Congratulations! After careful review of your application, your business will be awarded the Small Business/Marketing Grant 2022. Thank you for your patience.

The recommendation to award your business the grant will be recommended at the regular City Commission Meeting scheduled for September 18, 2023. Attendance is not required for this meeting.

In the meantime, you can contact the IRSC-SBDC regarding courses to register. **It is required that you attend the Smart Start Orientation. Additionally, based on your application, it is highly recommended that you register for the Basics of Finance. The Grants Division will pay for the cost of the courses.** The cost will not be deducted from your grant amount. It is the expectation that you submit a certificate of completion of the Smart Start prior to receiving your grant award and obtain a City of Fort Pierce Tax Receipt.

After attending the Smart Start course, I would like to schedule a time to meet with you to discuss the parameters of the grant. Please feel free to reach out to me to schedule a time and place to meet.

Sincerely,

Johnna Morris
Finance Director
