Hi Selena:

I left you a message; what you sent me to include on the agenda last Friday was not the Piggyback Agreement....just the notice of award. This will need to go back on the agenda with the actual agreement. I'm really sorry, but the contract that was on the agenda is different that what needs to be approved.

Give me or Sara a call if you have questions.

Linda –

It appears the wrong Contract was attached to last night's agenda. This is what was approved. It appears to me they attached the original Piggyback that I had to make corrections to.

Give me a call to discuss.

Good Morning Genny,

I have combined our Piggyback Agreement with the SLC contract and amendments (noted as Exhibits A, B, and C) in the attached document.

Do you want to send it to the contractor for signatures, or do you want me to take care of that for you?

Subject: TRP Piggyback Agreement for Delaware Avenue

Good Evening, Everyone –

This contract is on the City Commission Agenda for 9/18. The Piggyback Agreement was not originally provided to this office for review as to form and correctness prior to being signed by the Vendor or being placed on the Agenda. Ms. Griffett has tracked down all of the necessary documents needed to get this put together, and I must thank her for her quick responses in getting those items!

Attached you will see the Memo approving the Piggyback Agreement with the suggested changes I've included, a track changes of the Piggyback Agreement, and a clean copy of the Piggyback Agreement. There is an explanation as to the Exhibits that need lettered and attached and a signature being needed by the Vendor once the Piggyback Agreement is in final form.

I am not sure whether this can be accomplished by Monday. I am advancing the Agenda item forward in Agenda Quick in hopes that we can get the Exhibits attached and the Vendor's signature.

Please make sure all contracts to be signed by the Mayor are sent to this office prior to signature by a Vendor or placing the item on an Agenda.

If there are any questions or concerns on this at all, please let me know.

Thanks.

Sara
