If the Contractor fails to fulfill its obligations under this Contract in a timely and proper manner, the County shall have the right, but not the obligation, to terminate this Contract by giving written notice of any deficiency and by allowing the party in default seven (7) calendar days to correct the deficiency. If the Contractor fails to correct the deficiency within the seven calendar day period, this Contract shall terminate at the expiration of that time period.

With regard to the Contractor, the following items shall be considered a default under this Contract:

- (1) If the Contractor should be adjudged bankrupt, or if he, or it, should make a general assignment for the benefit of his, or its, creditors, or if a receiver should be appointed on account of his, or its, insolvency.
- (2) If the Contractor should refuse or fail, except in cases for which an extension of time is provided, to supply enough properly skilled workmen or proper material to meet the project schedule or if the Contractor should fail to make prompt payment for materials, or labor or other services entering into the Work.

The County may take possession of and use any materials, plant, tools, equipment, and property of any kind furnished by Contractor to complete the Work. If the expense incurred by the County to finish the Work exceeds the unpaid balance on this Contract, the Contractor shall pay the difference to the County. The expense incurred by the County as herein provided, and the damage incurred through the Contractor's default, shall be certified by the Project Manager. The Contractor shall be responsible for both liquidated damages attributable to delay and for excess completion costs. These clauses shall survive the termination of this Contract. If the County makes a determination pursuant to this Contract to hold the Contractor in default and terminate the Contract for cause and it is subsequently determined that any such determination was improper, unwarranted, or wrongful, then any such termination shall be deemed for all purposes as a termination without cause as described below. The Contractor agrees that it shall be entitled to no damages, allowances or expenses of any kind other than as provided in this Agreement in connection with such termination, and does expressly waive, in the event of termination, any and all claims for consequential damages, loss of bonding capacity, destruction of business, unabsorbed home office overhead, lost profit and the like.

The Contractor agrees that such violation by the Contractor shall be grounds for the unilateral cancellation of this Contract by the County.

19. **PRODUCTS OR MATERIALS WITH RECYCLED CONTENT**

Contractor is required to procure products or materials with recycled content with respect to Work performed or products supplied under the contract when those products or materials are available at reasonable prices. A decision to not procure such items must be based on a determination that such procurement:

- a) Is not available within a reasonable period of time; or
- b) Fails to meet the performance standards set forth in the applicable specifications or fails to meet the reasonable performance standards of the agency.

In accordance with the St. Lucie County Local Preference Ordinance No. 09-005, a preference will be given to bidders who have a fixed office or distribution point located in and having a street address within St. Lucie, Indian River or Martin County for at least one year immediately prior to the issuance of the request for competitive bids or request for proposals by the County. The fixed office or distribution point must be staffed. Post office boxes are not verifiable and shall not be used for the purpose of establishing a physical address and who hold a valid Local Business Tax Receipt (Occupational License) issued by the County that authorizes the bidder to provide the goods and services to be purchased.

- (a) Preference in purchase of commodities and services by means of competitive bid. Under any such applicable solicitation, bidders/proposers desiring to receive local preference will be invited and required to affirmatively state and provide documentation as set forth in the solicitation in support of their status as a local business. Any bidder who fails to submit sufficient documentation with their bid offer shall not be granted local preference consideration for the purposes of that specific contract award. Except where federal or state law, or any other funding source, mandates to the contrary, St. Lucie County and its agencies and instrumentalities, will give preference to local businesses in the following manner:

Competitive bid (local price match option). Each formal competitive bid solicitation (i.e. sealed bids) shall clearly identify how the price order of the bids received will be evaluated and determined. When a qualified and responsive, non-local business submits the lowest bid, and the bid submitted by one or more qualified and responsive local businesses is within five percent of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e. the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder. In such instances, staff shall first verify if the lowest non-local bidder and the lowest local bidder are in fact qualified and responsive bidders. Next, the Purchasing Division shall determine if the lowest local bidder meets the requirements of 287.07, Florida Statutes. If the lowest local bidder meets the requirements of 287.07, Florida Statutes, the Purchasing Division shall invite the lowest local bidder in writing to submit a matching offer to the Purchasing Division which shall be submitted in writing to the Purchasing Division within five business days thereafter. If the lowest local bidder submits a written offer that does not match the lowest bid from the non-local bidder tendered previously, the next lowest fully qualified local bidder will be given the opportunity to match if they are within five percent. This cycle shall be repeated until there are no remaining local bidders within five percent, and then award shall be made to the non-local bidder. If the lowest local bidder does not respond, declines or is unable to match the lowest non-local bid price(s), then award will be made to the lowest overall qualified and responsive bidder. If the lowest local bidder does not meet the requirement of Section 287.07, Florida Statutes, and the lowest non-local bidder does, the lowest local bidder will be disqualified and the next lowest bidder will be considered if they are within five percent, award will be made to the bidder that meets the requirements of the referenced state law. In the event a local bidder is awarded a contract pursuant to this section, all requests for change orders increasing the cost of the project must be approved by the Board of County Commissioners.
