I want to send out a thank you to Raymond Abernathy. He picks up our trash here on South Beach. The limbs, the branches, the palm fronds. He is one of the nicest people. He's very caring. He takes good care. He does a complete job. And I want city hall to know that Raymond Abernathy is a terrific employee, and he needs to have a pat on the back and thank him for such a good service here on South Beach.
