

THE SUNRISE CITY
FORT PIERCE
OFFICE OF THE MAYOR
AND CITY COMMISSION

Florida

December 14, 2023

Mr. Dale Matteson
Audubon Development, Inc.
King's Landing

Subject: Letter of Support

Dear Mr. Matteson,

The City of Fort Pierce, located on the southeast Atlantic Coast and in the heart of the Treasure Coast, is poised for strategic growth. The city offers pristine beaches, the beautiful Indian River Lagoon, a deep-water port, and a vibrant, diverse downtown.

The City of Fort Pierce believes that offering access to high speed rail transportation will enhance downtown development, spur economic growth, and provide affordable transportation to our community members and visitors.

The city strongly supports establishing a Brightline stop in Fort Pierce and will work to support this outcome, regardless of the entity selected to build the structure. We have a working relationship with Audubon Development, and if they are selected, the city will support their efforts to ensure that this opportunity comes to fruition for our community.

Sincerely,

Linda Hudson, Mayor

City of Fort Pierce
