3/6/2023

City of Fort Pierce
100 N. US Highway 1
Fort Pierce, Florida 34950

Dear Selection Committee,

I am pleased to present this proposal for the purchase of the property located at 25th Street Lot 1 & 2, Parcel Identification 2408-501-0066-000-6 and 2408-501-0067-000-3, Fort Pierce, Florida. I am very familiar with the location of this property and the intimately knowledgeable of the City's proposed revitalization plans for the Lincoln Park community. I believe the proposed development plans presented in this offer for purchase further the mission of the City's revitalization vision for Lincoln Park and addresses the need of the community for affordable housing.

I am a veteran, woman owned minority business since 2016. I am uniquely in tune with the cultural and heritage of Lincoln Park and view the development and workable housing infill through the lens of the community. The current entry-level housing market is in need of single-family homes that will complement the existing infrastructure, in line with future growth and development for the surrounding area while increasing property values.

The current trend in building materials and supplies has increased on average some 60% since the onset of the pandemic. The increase in prices are a direct result of the pandemic and the trend in higher costs for materials has remained steady over the past 24 months. This trend has created a financial bubble for builders, contractors, suppliers and transport companies and the cost of business is being passed on to the end consumer. It can be predicted that by the end of the year, supply will catch up with the market and costs will decrease to pricing that will make building less expensive. This will be timely for our project as permits will be obtained and land clearing will take place.

Our team is excited about the opportunity to build homes for working families to make memories and support the local economy at the same time.

I look forward to presenting our vision to your committee.

Sincerely,

A handwritten signature in blue ink, appearing to read "Pamela E. Carithers", is written over the word "Sincerely,".

Intended Use of Property

The intended use of the subject property is to construct a single family 3 bedroom 2 bath one car garage with two parking spaces. The proposed construction will be consistent with the existing Oaks at Moore's Creek subdivision homes. It is our goal to provide access to entry level homes that are workable and affordable to the community while maintaining the historical integrity of the area. This intended use of the property will improve the availability of affordable housing and home ownership. The intended use will create equity in the neighborhood and support various uses associated with the neighboring redevelopment plan of the City of Fort Pierce.

Minority Participation and Outreach Plan

Progression Properties is owned and operated by a Veteran, Woman Owned, African American Minority Business Enterprise located in Vero Beach, Florida. Our policy is to make a concerted effort to contract with minority and women owned businesses in Fort Pierce and St. Lucie County. The local projects have been contracted with the same General Contractor, which is a minority; the Electrical, Plumbing, A/C subcontractors are all minorities; and the crews consists of members of the minority group. This team is the same team that moves from one house to the next for all local projects. This model ensures a consistent, professional work product and contributes to the local economy. Our outreach program is to continue to contract with minority vendors in the Fort Pierce and St. Lucie County area in every phase of the project. This approach bridges the generational investment in the local workforce and levels the playing field in the contracts awarded to minority/women owned business enterprises (M/WBE).

Proposed Commitment Date

The proposed commencing date is within six months after the sale of the property to develop a full set of plans and apply for permits. Upon approval of permits, we will break ground and commence to land clearing and building the single-family home. Anticipated project completion 18-24 months.

Value of Improvements:

Total cost of construction is \$180,000.00. *See attached as attachment A.*

This figure is based on contractor grade materials and supplies and estimated labor at a rate of \$120.00 per square foot for a 1200 square foot single family home. Landscape improvements will be living trees, and shrubs planted for the purpose of enhancing the aesthetic value of the property.

Proof of Financial Ability

Bader's Financial Center, 359 Lanternback Island Drive, Satellite Beach, FL has provided a proof of funds by an approval letter. *See attached as attachment B.*

Summary of Experience:

Developer/Investor

Progression Properties LLC, is a real estate investment firm specializing in the acquisition of properties both residential and commercial at a discount since 2016. Pamela Carithers, managing partner, holds an MBA in Marketing and a B.S. in Computer Information Systems. She has more than 25 years of corporate; architectural, engineering and construction; nonprofit and real estate investing experience.

Progression Properties portfolio of properties includes four active properties and one property under contract to sell with a closing date of 3/22/2023. Progression Properties has renovated four properties, of which two were sold to the open market and two more are in the pipeline of being completed and will be sold. Of the remaining properties, one is a multi-family triplex and the other is a single family residence. Progression Properties owns four properties in Fort Pierce, one multi-family and three single family residences. The property in Boynton Beach will be sold upon completion of renovations.

Contractor

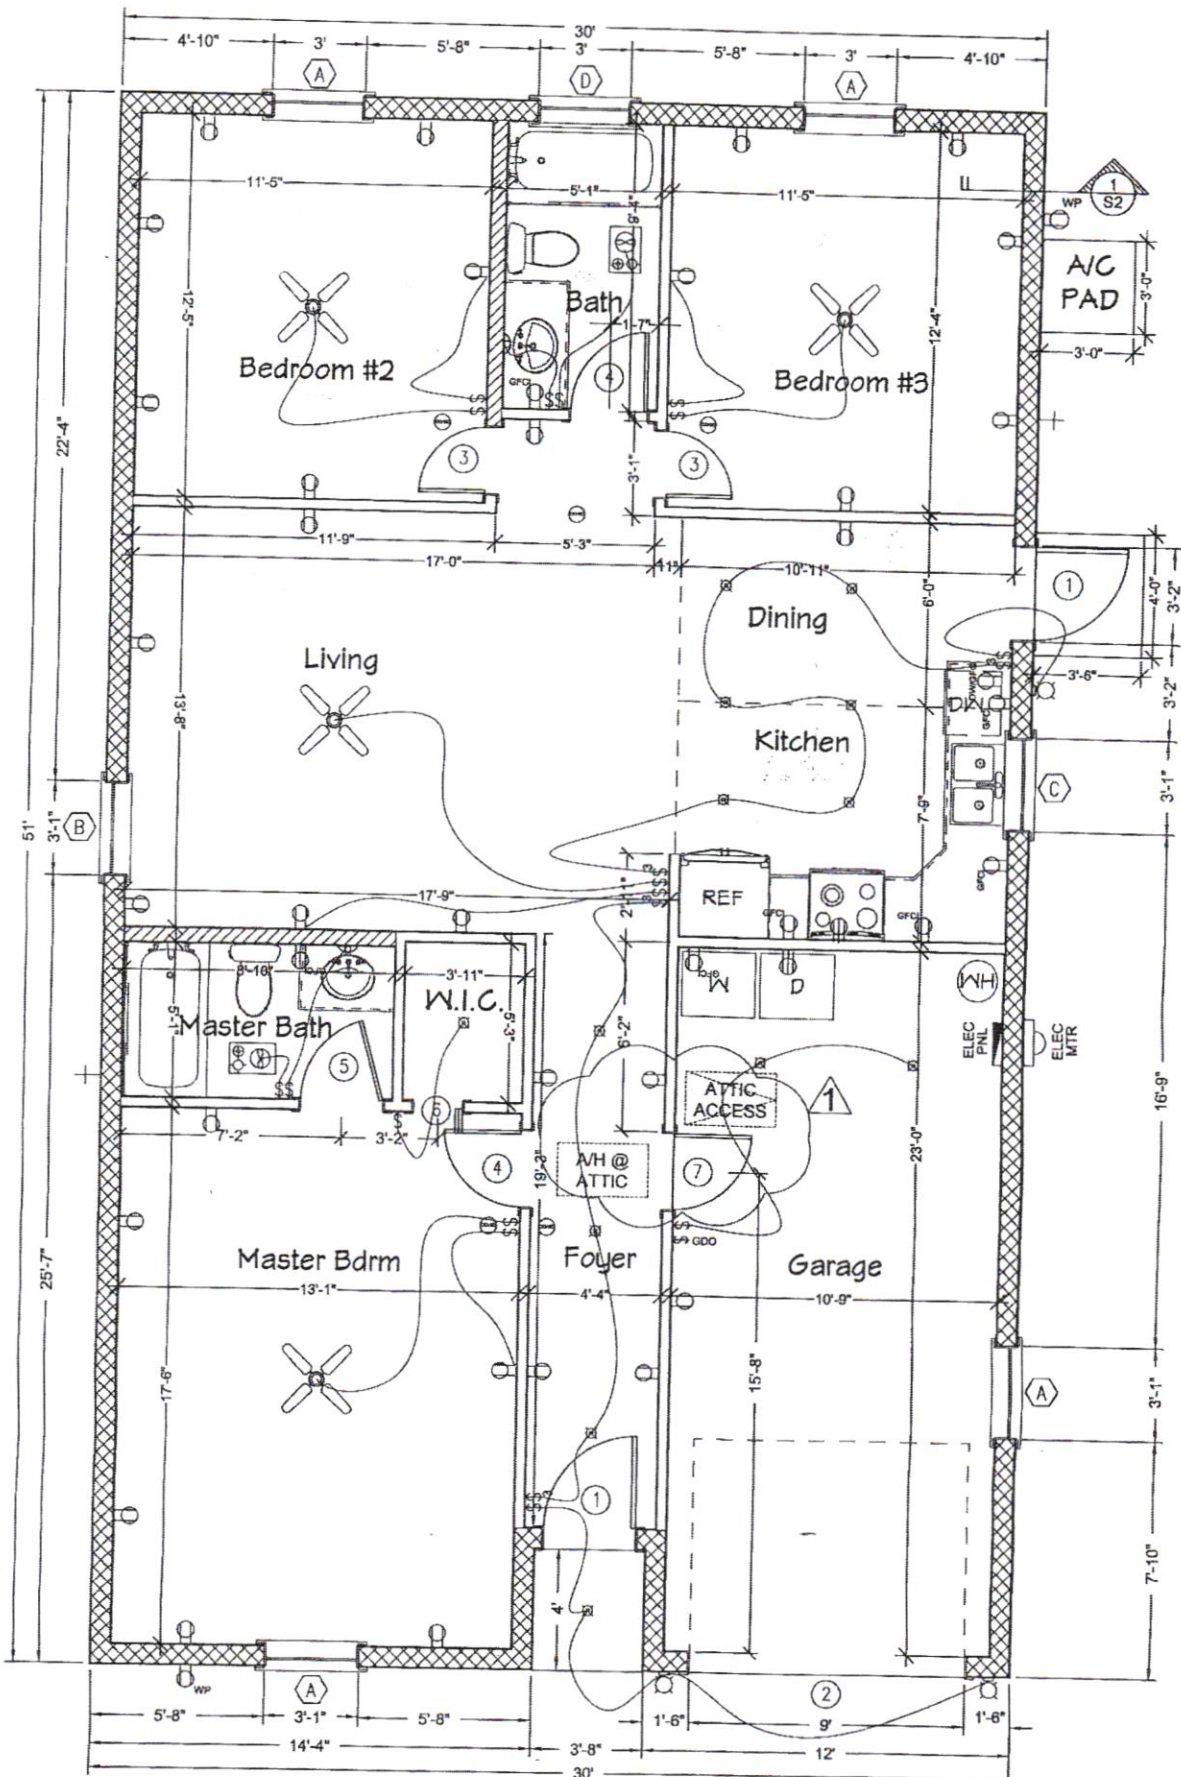

Andros Construction and Andros Roofing, is a general contractor and roofing contractor with more than 18 years of experience in the construction. Andros Construction specializes in commercial and residential roofing and foundations. The company started in 2000. And while they perform all types of building structural projects, they specialize in both roofing and foundations, projects requiring all phases of low-slope roofing, architectural sheet metal, and specialized steep slope applications. They offer help, education and advise to their customers when their customers are making decisions about material and specification choices.

They have 18 years of experience in the roofing industry and 20 years of experience in foundation work. They have a team of hard-working professionals who bring skill and "attention to detail," to every project. In 2018, they opened up our larger office on Frist Blvd in Fort Pierce to meet the rising demand for qualified roofers in this area. Their sales have increased each year in business, and have completed projects of all sizes.

Andros construction has established a reputation as one of St. Lucie County's leading roofing contractors. We strive to consistently deliver high-end results at an affordable price. Our customers trust us to protect their families and investments with quality craftsmanship, and courteous, reliable service. A copy of the license and liability insurance is included as *Attachment C*.
