I would like to request a waiver for medical reasons for my father. On January 2021, he lost his wife, Patricia Richardson Drummond, after a long battle with kidney disease. She was a St. Lucie County educator who was forced into early retirement because of her illness. From 2006 to the date of her death, they made numerous trips to Shands Medical Center at the University of Florida. Some of these trips were done under emergency circumstances. They were unable to focus on their real estate holdings because they were doing everything that they could to prolong her life. He was forced to sell various to (delete "to") properties to maintain financial stability. She was on dialysis for almost 10 years after receiving a kidney transplant from her sister in 2006. During my father's active years, he was a home builder. A year before my mother passed, he asked me to come home to help handle his affairs while transitioning to life without his spouse. He was happy that I agreed to come home to help him. He's 90 years old and will be relying on me to maintain the remaining family assets.

My father was a staple in the St. Lucie County community as a designer and developer. He built scores of homes and provided affordable housing for many of the city's residents. Fort Pierce is my home, and I would like to continue the Drummond legacy of building affordable housing. This waiver will be a significant step in that direction. Lastly, you may be familiar with the Drummond name because Darrell Drummond is my first cousin and serves the community as CEO/President of the Council on Aging.

The last two decades have been particularly challenging for my family, but I am happy to be home and ready to take on the challenge.

Thanks,

Javan Drummond

Rule 15: Requests for Reduction of Liens.

- A. All requests to reduce a lien imposed by the City must meet the following requirements:
- (1) For liens imposed pursuant to Fla. Stat. § 162.09, a Respondent may request a reduction of the lien only after the original violation is in compliance and the Department has issued an Affidavit of Compliance.
  - (2) The request must be in writing in a form provided by the Department.
  - (3) The request must be made by the owner. If the request is made by any other interested party, written proof of permission to act on behalf of the owner must be provided.
  - (4) A copy of the deed, showing title transfer to the current owner, must be provided.
    - i. If the property was conveyed via Special Warranty Deed or Warranty Deed, the owner must provide proof of their attempt to have the guaranteeing party take responsibility for the debt without success.
  - (5) A statement or explanation as to why the City should consider the request for reduction. The request should include a narrative with any supporting documentation to be considered in furtherance of such request.
  - (6) There shall be established an application fee of \$250.00 for all requests to reduce a lien that must be heard by the Special Magistrate. Such fee shall be assessed by the Special Magistrate following consideration of the request and is in addition to any other administrative fees assessed. Any reduction or waiver of such fee may only be granted upon proof of sufficient cause by the Requestor.

B. If any of the following conditions are met, the Department has the authority to process a lien reduction request and issue a Release of Lien:

- (1) The amount of settlement for a property zoned residential with less than four (4) dwelling units is \$5000 or more and is payable in less than 30 days.
- (2) The amount of the settlement for a property either zoned residential with four (4) or more dwelling units, zoned commercial, or zoned industrial is \$10,000 or more and is payable in less than 30 days.
- (3) The settlement is based upon the receipt of excess tax sale proceeds that have been received by the City and respectively cover the administrative costs incurred.
- (4) The amount of settlement for requests of partial lien releases due to a spreading lien as provided for in Fla. Stat. § 162.09(3) is equal to or more than 3% of the lien to be released and the property receiving the benefit of the lien reduction is located outside the Fort Pierce city limits.
- (5) The amount of settlement for nuisance abatement and demolition liens is equal to or greater than the hard costs for service plus 50% of the interest, penalties, and administration fees assessed by the City.

The Department shall forward the request to the Special Magistrate if additional review is required, if a hearing is specifically requested, or in the best interest of the City. The Department and Requestor may enter into an agreement to settle the lien reduction. Any written agreement

between the requesting party and the Department to settle the lien reduction shall constitute a waiver of hearing by the Special Magistrate by both parties.

C. If the request does not meet the criteria outlined in Section (B), the Department has determined the request requires additional review, or the requesting party chooses to not waive his or her right to a hearing, the Department shall schedule a hearing on the request before the Special Magistrate, with notice to the Requestor. After hearing both sides, the Special Magistrate shall make a determination that the request for reduction of the lien be denied, granted, or granted with conditions. The determination will be based upon evidence, upon consideration of the following criteria:

- (1) The gravity or seriousness of the violation;
- (2) Any and all actions taken by the violator to correct the violations or, if the violation was not corrected by the original violator, what action was taken by any other owner or party in interest to bring the property into compliance;
- (3) The length of time necessary to bring the property into compliance;
- (4) The number of times the violator was previously found in violation by either the Code Enforcement Board, Special Magistrate, or other quasi-judicial or judicial process, or otherwise admitted guilt in any such proceeding;
- (5) The number of violation notices the violator has received in the past as well as their nature and the final disposition of each such notice;
- (6) Whether and to what extent there are extenuating factors preventing timely compliance, such as unavoidable personal hardship.
- (7) Whether and to what extent there are pending violation proceedings on the subject property or any other property within the City owned by the Requestor.

D. If the Special Magistrate determines that the request for reduction be approved and the following conditions are met, they may order the Department, once payment is received and any other conditions are met, to issue a Release of Lien:

- (1) For liens imposed pursuant to Fla. Stat. § 162.09, in a reduced amount that is no less than the amount sufficient to cover the administration costs for processing the case plus the \$250.00 application fee.
- (2) For nuisance abatement liens, in a reduced amount that is no less than the amount sufficient to cover the following conditions:
  - i. The reduced amount must include the hard costs for services.
  - ii. The reduced amount must include the \$250.00 application fee.
  - iii. The City imposed interest and penalties may be waived in full if the Special Magistrate determines that it is in the best interest of the City.
  - iv. The consideration of administration fees must include any outstanding hard costs to the City including, but not limited to, recording fees.
  - v. The administration fees for liens imposed in the Requestor's name shall not be waived or reduced unless the Requestor can provide sufficient cause for such fee

to be waived or reduced, and the Special Magistrate determines it is in the best interest of the City.

vi. All other administrative fees may be waived or reduced as determined by the Special Magistrate.

E. An appeal of the Special Magistrate's decision may be made to the City Commission. Any such request for appeal must be in writing and received by the City Clerk's office no later than 30 days from the written determination of the Special Magistrate.

F. There shall be established an appeal fee of \$250.00 for any requests that must be heard by the City Commission. Such fee may be imposed after consideration by the City Commission.
