Ft. Pierce Rotary Vision for Peace Pole

- Ideally situated in an area with maximum exposure / foot traffic
- Downtown by City Marina, Farmers Market
- The pole itself is 8' high; we would want to mount it on top of a concrete base
- In an effort to maintain continuity throughout the city, explore the possibility of having the base of Peace Pole designed by Anita Prentice or one of her proteges

In Conclusion

- The Ft. Pierce Rotary Club Peace Pole is a reminder to all who pass it that living in peace is what we all strive for
- The presence of the Rotary symbol is a worldwide recognized symbol promoting peace, brotherhood, and service to our community both here and throughout the world
- We welcome the opportunity to provide this lasting legacy in our Centennial Year!
- We envision a Dedication Ceremony with City and County dignitaries, and above all, we thank you for your consideration
