Hello! Commissioners in the beautiful city of fort Pierce. To all respect to the family members that's requesting a name change on 14th street I would like to have my voice heard by saying/ voting No this change should not go through. It's a lot of people that was actually born and raised there on that street that also shared lots of losses trauma and good memories there. Reconsidering a building would be a great thought. How do the community say no to this? After generations of our children has played there?
