Dear Friends:

Thank you for your wonderful support of Indian River State College (IRSC) and for forwarding your contribution of \$2,000.00 (check #291174). As requested, these funds will be used to support the Promise Program. Your donation will enhance the opportunities and the educational environment at IRSC, which so many students benefit from each day.

IRSC has remained steadfast in providing students equal access to a quality learning environment with many educational opportunities. We invite you to visit the Foundation's website at www.irscfoundation.org for more information about some exciting growth, events, and foundation support currently taking place at IRSC.

On behalf of the Board of Directors of the IRSC Foundation, thank you again for your generous support and commitment to education in our community.
