Dear Sir,

I felt it was important to write you about your exemplary employee Anne Bowen.

It is a rarity to find someone capable of dealing with multiple tasks simultaneously.

Every day a variety of people sail into Ft. Pierce .

I've personally seen her handle every single person like they are the only ones there. For the most part everyone is patient and kind, however, I have also witnessed her handle the most difficult boaters. Anne was calm and professional during these situations.

We come back and forth between the Bahamas and Ft. Pierce. One of the main reasons we return to Ft. Pierce is Anne. We know that whatever problem may arise, she will make sure we are taken care of.

It is my hope that you will let her know how much she is appreciated.

Thank you,  
Dawn Bresnak
