Subject: Gratitude

Dearest City of Fort Pierce Officials,

Words cannot express our gratitude for the sea grape trimming on S Ocean Drive. We have our ocean view back, and our property values have been restored. Thank you!!!

The landscapers did such a fabulous job.

The park looks nicely maintained now.

I am very thankful for your attention in this matter.

We are loving the unobstructed sunrise view on the treasure coast once again. Fort Pierce proud!

With Much Appreciation,

Debra Mijal
