CITY FORT PIERCE
FRANCES AVENUE ROADWAY IMPROVEMENTS

BID NO. 2024-020

ADDENDUM NO. 4

The purpose of this addendum is to respond to questions submitted by potential bidders for clarification of the bid specifications:

1. **QUESTION:** Other than SWPPP and ROW permits are there any additional permits required?

ANSWER: **No other permits are required. ROW permits are not required for the FPUA utility work on this project as it is a part of the approved plans.**
2. **QUESTION:** What is the City's charge for a ROW permit?

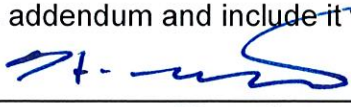

ANSWER: **There is no charge currently for a ROW permit.**
3. **QUESTION:** There is no line item for drainage removal. Where would the City prefer this item to be accounted for on the bid form?

ANSWER: **This should be accounted for in the Clearing, Grubbing and Demolition line item. The bid form has been revised for further clarification.**
4. **QUESTION:** Other than SWPPP and ROW permits are there any additional permits required?

ANSWER: **No other permits are required. ROW permits are not required for the FPUA utility work on this project as it is a part of the approved plans.**
5. **QUESTION:** Regarding the Frances Avenue Roadway Improvements project, I see that the list of insurance requirements includes the following: Workers; Compensation/Employer's Liability Insurance, Commercial General Liability Insurance, Automobile Liability Insurance, Pollution Legal Liability, Property/Builder's Risk Insurance. Therefore, my question would be do you require the bidder to submit a copy of All of these insurance at the time of the bid? Or is the contractor to supply a copy of these after the notice of award?

ANSWER: The insurance requirement that is needed during the bid submission is simply a proof of insurance by including a copy of your current certificate of Insurance. However, once the contractor is awarded the bid, they must have all the required insurance requirements in order to proceed with the award process.

Please acknowledge receipt of this addendum and include it with your submittal.
