COMPREHENSIVE PLAN

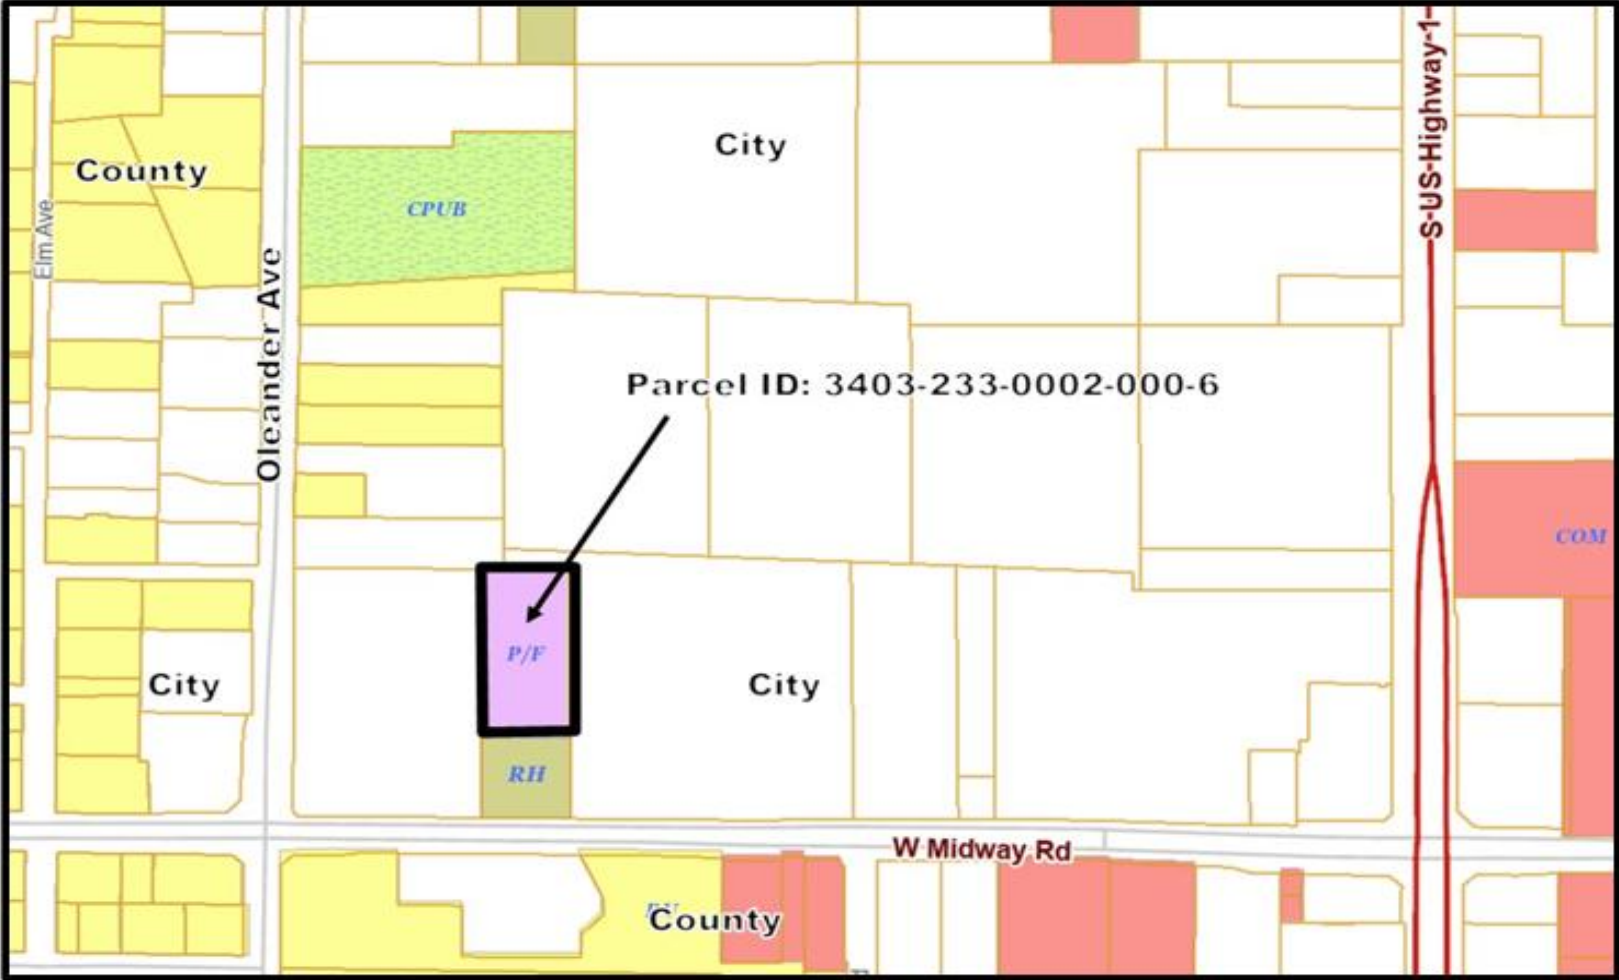

Pursuant to Comprehensive Plan policy 1.11.5 “properties annexed shall receive a land use designation compatible with the County land use designation, unless otherwise approved by the City Commission.” Staff has confirmed that the property is located within unincorporated St. Lucie County and is contiguous to the Fort Pierce City municipal boundary and within the FPUA service area. Furthermore, pursuant to Chapter 171.046(1), F.S., whereas the Legislature recognizes that enclaves can create significant problems in planning, growth management, and service delivery, and therefore declares that it is the policy of the state to eliminate enclaves.

The current value of the property is \$284,000. Should the Application for Annexation be approved it could create a new source of ad-valorem tax revenue annually to the City of Fort Pierce if developed, depending on the millage rate per year, which currently is 6.9000.
