Describe your professional background and what expertise you will bring to this Board. (Attach your resume or other applicable information below if desired) *

I graduated in 2001 with a degree in Business Management and Entrepreneurship and a minor in Psychology. Fresh out of college I began my career in building and administration in the building materials industry. During that time I was the Assistant Controller for Atlantic Building Materials until we were purchased by Allied Building Products in 2005. For Allied, I ran acquisition training and IT support, managed a team of 80 administrators remotely from FL to HI and restructured several departments including Internal Controls, Sales and Administration. In 2013 I purchased Varsity Sport Shop, which at the time had 1 employee and was located at 211 Orange Avenue in our beautiful downtown. To date, I employ a team of 7 lovely ladies and 1 part-time young man. Together we have grown Varsity to produce 10x more revenue than what it was in 2013 and we continue to expand and support our downtown. I am a founding member of the Downtown Business Alliance and a proud member of the FPUA board. I feel as though I have brought a lot of perspective to FPUA and have enhanced it's growth to what it is today. I keep close contact with the members of the commission and support our One Fort Pierce initiative!
