None

5. **OLD BUSINESS**

- a. Parking Garage Counter System update

Project Engineer, Selena Griffett let the committee know the company started the installation on Monday. Their goal is to have the system functional by Labor Day. The Committee asked about the data and Ms. Griffett let them know a representative from the company would be at the next meeting to give updates and a brief presentation.

- b. JC Penny Parking Lot update

Ms. Griffett mentioned the design has been sent, and a quote has been received. Engineering will be discussed with management on the approval or disapproval. She let them know that dumpster enclosures are expensive, and they discussed the option of wooden structures. They agreed that enclosures are important and if they do it in wood it won't last long. The committee would like to review the contract before it is sent to the Commission.

c. Code Enforcement updates

Ms. Griffett let the committee know Code Enforcement is still working on the ordinance for parking. Code will be bringing all the updates to the Commission at once. The committee asked if they could review the ordinance before it goes to the Commission.

6. **COMMITTEE AND STAFF COMMENTS**

The committee asked if their recommendation for marking new developments have adequate parking can go directly to the Commission. Ms. Griffett discussed leases and that the payments are being changed to monthly payments instead of quarterly and let the committee know the City cannot have leases over 12 months as it become a liability.

7. **ADJOURNMENT**

Ryan Collins adjourned the meeting at 9:52 A.M.
