As a retired banker I bring a variety of applicable skills. I am the former Director of the Office of Conservatorship/Receivership Asset Management for the Federal Department of Insurance Corporation (FDIC), Resolution Trust Corporation. In that role I managed a multi billion dollar budget that controlled financial institutions within the southeast region of the United States. That role entailed converting insolvent banks to favorable organizations for sale to healthy institutions while protecting depositors and investors interest. As well, identifying and resolving waste, fraud, and abuse. Through maximizing the return on sale of assets held by the banks required extensive knowledge of multiple industries I.e. timeliness with converting investments, construction projects, and disposal of non-earning assets held by the institutions. Upon moving back to Ft. Pierce to care for elderly parents, the last 20 years of my career life were shared with Harbor Federal Savings & Loan and Seacoast National Bank as Senior Vice President, Director of Risk Management. Later, retired and continue to reside and serve this community in various capacities.
