RE: Application for City Manager

Dear Mayor and City Commission Members:

I am excited to submit my application for the City Manager position with the City of Fort Pierce. With over 25 years of experience in municipal management, I bring a proven track record of strategic leadership, fiscal stewardship, and community engagement. My background as a Credentialed City Manager (ICMA-CM) and AICP Certified Urban Planner equips me with the skills and vision to guide Fort Pierce in its next chapter of growth while preserving its unique character and vibrant waterfront community.

Throughout my career, I have successfully managed diverse municipalities, overseeing budgets exceeding \$209 million, guiding complex capital improvement projects, and fostering collaborative relationships with elected officials, residents, and key stakeholders. My experience includes:

- **Transformational Leadership:** In Bell, CA, I restored public trust and implemented reforms following a significant corruption scandal. I established transparency measures that became a national model.
- **Infrastructure and Economic Development:** As City Manager in Muskogee, OK, I led major public works initiatives, including constructing a community center and improving airport facilities to spur economic development.
- **Strategic Planning:** In Indiantown, FL, I expedited a 5-year strategic plan in just three years and facilitated the acquisition of a water and sewer utility, securing long-term financial stability for the village.
- **Emergency and Crisis Management:** In East Point, GA, I guided the city's recovery from a multi-million-dollar cyber incident, reinforcing operational resilience and community confidence.

Fort Pierce's commitment to redevelopment, park enhancements, and environmental sustainability matches closely with my professional expertise and passion for building thriving communities. I am particularly inspired by the opportunity to lead initiatives that enhance the city's cultural and economic assets while maintaining its small-town charm. My experience in negotiating collective bargaining agreements, managing unionized workforces, and delivering results-driven solutions will support Fort Pierce's vision for efficient and effective government operations.

I am also an advocate for community empowerment, reflected in my published works on leadership and municipal management, including *Trail of Success: Leadership, Management, and Civic Empowerment*. This thought leadership underscores my commitment to fostering inclusive, equitable, and resilient communities.

I am confident that my extensive experience, strategic mindset, and dedication to public service make me an excellent fit to serve as Fort Pierce's City Manager. I would welcome the opportunity to discuss how my background and vision resonate

with the city's goals. Thank you for considering my application, and I look forward to the possibility of contributing to Fort Pierce's continued success.

Sincerely,

A handwritten signature in black ink that reads "Howard W. Brown, Jr." The signature is written in a cursive style with a large, prominent initial 'H'.
