

Executive Summary

City Manager Recruitment

I. Overview

The following summarizes the current status of the City of Fort Pierce's recruitment of their new City Manager. At the beginning of the posting of the position, there were a couple of applicants who were having difficulties applying through the City's new recruitment platform. Human Resource's staff worked with each applicant individually to resolve their issue and to date all applicants have been able to apply and upload any pertinent documents to their application.

Within the recruitment process timeline, Human Resources is recommending that City Commission conduct one-on-one interviews instead of public interviews. These interviews will occur over a one-to-two-day period and will be coordinated by Human Resources. Each applicant will have an individual 45-minute interview with each Commissioner. In addition, Human Resources also recommends that City Commission shortlists applicants at their February 3, 2025, City Commission meeting, and makes final appointment or provide further direction at their February 18, 2025, City Commission meeting. However, Human Resources will move forward with whatever direction City Commission deems necessary.
