THROUGH: TIKI TAXI AGREEMENT

RE: CAO RLS FILE: 24-400

DATE: OCTOBER 25, 2024

I have reviewed the above Request for Legal Services related to allowing Tiki Taxi to utilize the City Marina to temporarily dock in order to pick up and drop off passengers. A Marina Use Agreement ("Agreement") was drafted using the long-term dockage license agreement as a template. Please review it carefully to ensure it captures all aspects of your intended agreement with Tiki Taxi. If there are any changes you desire to the language of the Agreement, let me know. Risk Management has reviewed this Agreement and added the necessary insurance requirements. If there are any questions related to insurance, you should contact the Risk Management Department.

You will note this Agreement has been placed in the City's name, based on the type of Agreement that it is. The Agreement will need to be placed on a City Commission Agenda for approval. The Agreement has been uploaded to Agenda Quick and is approved as to form and correctness.

If you have any questions, please do not hesitate to contact this Office via phone or e-mail.

Thank you.
