Subject: Mosaic Benches for the Highwaymen Museum

JOB DESCRIPTION: Anita Prentice to create mosaic 4 cement benches which will feature the iconic trees of the highwaymen (Poinciana, Palm, Tabebuia and Jacaranda). The back will be a (TBD by City/FPRA). The seat will be plank, tile and marble. The rest of the body of the bench will be faux finished to match the décor of the location. The entire bench will be sealed with three coats of sealer.

PRICE: \$3000.00 each - 50% down to start, and balance upon pick up. The buyer will be responsible for the pick-up and placement of the bench. Ideally the bench should be placed on concrete. The bench weighs approximately 300 lbs.

MATERIALS USED: Thin-set, grout, paint, stained glass, tile and sealer

Timeline: The Benches will be available for delivery approximately mid-June or before.

Thank you very much!

Anita Prentice
