**Recommendation for Approval of Funding to Purchase four(4) Anita Prentice Mosaic Benches for the Highwaymen Museum**

The Arts and Culture Advisory Board recommends approving funding, not to exceed \$12,000, for the purchase of four mosaic benches for the City of Fort Pierce Florida Highwaymen Museum. Designed by renowned artist Anita Prentice, these benches will enhance the museum's aesthetic appeal while celebrating its cultural and artistic significance. Strategically placed within the brick paver garden, located north of the museum building, these benches will offer visitors a welcoming and inspiring space to reflect. Furthermore, they will serve as a lasting tribute to the enduring legacy of the Highwaymen artists.
