**SUBJECT:** RFQ No. 2025-009 – Community Rating System (CRS) and Climate Resilience Professional Support Services

**DATE:** February 13, 2025

---

On November 6, 2024, the Purchasing Division received specifications to go out for bid on the above subject proposal. The proposal was advertised on January 3 and 10, 2025, with a scheduled opening at 3:00 PM on February 3, 2025. Attached is the tabulation sheet for the above referenced proposal and the submittal checklist. A copy of each submittal received will be sent via email or OneDrive. The file is available for review in the Purchasing Division.

**The invitation was sent to 959 vendors. Twenty-seven (27) vendors requested specifications with four (4) responding (14.81%) 0 “No Bid” (14.81 % total responses).**

**Please note that the Purchasing Team has reviewed all submissions and has provided an RFQ Response Checklist to assist you in evaluating the submittals.**

The next step in this process is the Evaluation Phase. The purpose of this phase is to determine whether the proposals received are responsive to RFP requirements, ranked, and determine a recommendation to award. This phase consists of identifying an Evaluation Committee, meetings, and ranking of the proposals.

The members of the Evaluation Committee will need to be identified as well as scheduling of the **initial meeting**. It is my recommendation that a committee of three or five members are selected with you acting as Team Leader. A representative from Purchasing will serve as the Committee Liaison and should be present for any meetings.

During the initial meeting, the following roles are suggested to be assigned, if applicable to the project scope of work and necessary to determine an awardee:

1. **Team Leader:** Sets up team, coordinates strategies, sets timetables, assigns roles along with the Project Manager.
2. **Project Manager:** Person or representative responsible for leading the entire project through initiation, planning, execution, control, and completion; representative from department involved in service.
3. **Financial Analyst:** Price and Cost Analyst to compare proposals and check financial data.
4. **Technical Advisor(s):** References, licensing, background checks, local preference, etc.
5. **Committee Member:** Evaluates the solicitation and will cast a vote.

Copies of the proposals and supporting documentation will be emailed to you and those carbon copied on this memo. Once the Evaluation Committee members have been established, they will be provided copies of each submittal.

A recommendation to award form (see attached) will need to be completed and attached to the appropriate approving authority's document (City Manager's - Requisition or City Commission – Agenda Item).

The entire process including approval of Commission must be complete by **April 4, 2025**, which is the expiration date of the proposal and responses.
