Special Election Timeline

Run-off election pursuant to Fort Pierce City Charter, Section 52

- If we have three (3) or more persons qualify as candidates for the special election, the persons' names who are so qualified shall appear on the ballot and be voted upon the special primary election on November 4, 2025.
- In the event no single candidate receives a majority of the votes cast in the primary election for the designated seat, the two (2) persons receiving the highest number of votes cast for that designated seat shall be voted upon at the run-off city election scheduled for January 20, 2026.

Clarification Examples:

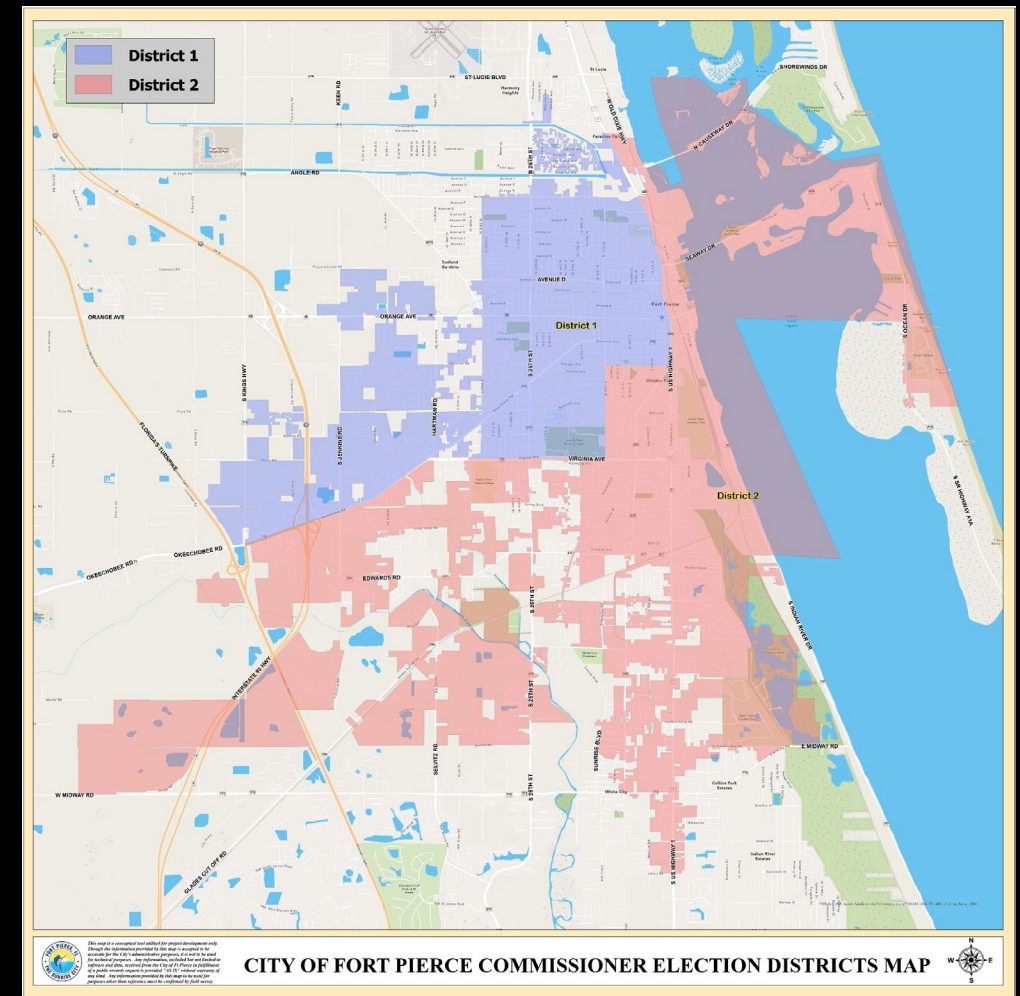

- Two hundred votes are cast; in order for a single candidate to be declared the winner, they must receive 101 votes. The majority of all votes cast or 50% plus 1.
- If two hundred votes are cast, one candidate receives 100, another receives 66, another gets 24 and the last one gets 10; the candidates receiving 100 and 66 move on to the run-off election because no single candidate received the majority of votes cast.
