Yes

No

Describe your professional background and what expertise you will bring to this Board. (Attach your resume or other applicable information below if desired) *

I am a licensed Mortgage Loan Officer and Real Estate Agent with a strong background in real estate, mortgage lending, and community outreach. I hold an Associate Degree in Accounting. With several years of experience working directly with first-time homebuyers, investors, and families seeking affordable housing, I bring a well-rounded perspective that combines financial insight, housing policy knowledge, and a deep commitment to helping residents achieve stable and sustainable housing. As a Fort Pierce resident and business professional, I am deeply invested in the well-being and long-term growth of our community. I've helped guide numerous clients through the complexities of purchasing and financing homes—often under programs related to affordability, down payment assistance, and government-backed loans. This experience has given me hands-on knowledge of the challenges residents face and the opportunities we can create through inclusive policies and community-centered planning. For the Affordable Housing Advisory Committee, I offer frontline insight into barriers residents face in securing housing and financing, along with practical strategies to improve access and affordability. On the Communitywide Council, I will bring a voice that understands diverse community needs and works to connect people with resources. For the Keep Fort Pierce Beautiful Advisory Board, my strong ties to the local community and focus on property value preservation and neighborhood beautification align with the mission of keeping our city vibrant and welcoming. On the Planning Board, I can contribute a balanced perspective of both homeowner needs and sustainable growth, informed by my real estate background and understanding of development trends. In all roles, I aim to be a collaborative, ethical, and service-minded member who prioritizes community engagement, transparent communication, and practical outcomes that reflect the needs and voices of Fort Pierce residents.

Are you currently a member of a Commission-appointed board/committee?*
