I have reviewed the above Request for Legal Services (RLS) related to Amendment No 1 to the Continuing Services Contract for Professional Services between the City of Fort Pierce and the above-named Consultants. Please note the following comments:

1. Each Amendment has been revised to reflect the procurement and agreement history.
2. Each Amendment has been revised to reflect the new Term Period and remaining renewals thereafter.
3. A redlined version of the Amendment for Architect Design Collaborative has been included with this Memo so changes made to all the other Amendments can be tracked.
4. The Amendment for Cape Design Engineering reflects the Consultant's legal name per Sunbiz records.
5. The Amendment for Cotleur & Hearing reflects the Consultant's legal name per Sunbiz records.
6. A clean version of each Amendment is included with this Memo which I recommend for template use for future Amendments.
7. All Amendments are approved as to form and correctness.
8. Recommendation: The Department should place all Amendments on the Commission consent Agenda for review and approval prior to execution.
