Thursday, July 24, 2025

Tracy S Telle, Engineering Manager  
City of Fort Perce  
Engineering Department  
100 North US1, Fort Pierce, FL 34950  
(772) 467 3776

Reference: Mast Arm Replacement at SR A1A & Binney Drive, FDOT Structure ID # 94M002

Tracy,

Below please find our quote for Mast Arm Replacement for the FDOT Structure ID 94M002

Our proposal includes the following items:

- One (1) Complete Mast Arm.
- Two (2) Three Sections Traffic Signal F&I.
- One (1) Illuminated Sign F&I.
- One (1) Side Pedestrian Signal Head and Brackets F&I.
- One (1) Push Button F&I
- One (1) Push Button Sign F&I.
- One (1) Reinstall overhead camera with new cable F&I
- Soft dig not to exceed five (5) feet around the existing drilled shaft foundation.
- Remove sidewalk around the drilled shaft to bring the upright baseplate connection to the proper elevation.
- Remove and Replace Two (2) electrical pull boxes embedded in the sidewalk.
- Pour concrete sidewalk with FDOT concrete mix.
- Maintenance of Traffic MOT
- Crew to perform County Final Inspection.

**Lump Sum Price: Seventy-Nine Thousand Five Hundred and Thirty-nine dollars \$79,539.00**

### General Notes:

1. If spalls or foundation damage are found, the cost of the repair using high-strength concrete is not included in this estimate since the magnitude of the potential repairs are unknown at this time.
2. Off duty police officer not included.

Sincerely,

Jesus Valderrama, MSEng, CGC
