Subject: Symphony Lakes (AKA Selvitz Mixed Use)

Application: Pod 1 Site Plan

Subject: Floorplans

Please accept this letter in lieu of floorplans for the proposed single-family lots. Colored renderings of architectural elevations are being provided in this submittal for illustrative purposes of what may be constructed, depending on the builder that is ultimately selected for this neighborhood. However, the builder has not been determined, thus floorplans are not available for the single-family lots.

If you have any questions, please do not hesitate to contact me at dsorrow@cotleur-hearing.com or 561-747-6336.

Sincerely,
