**ANNEXATION AGREEMENT**

**THIS ANNEXATION AGREEMENT** (this “**Agreement**”) is made and entered into this \_\_\_\_\_ day of \_\_\_\_\_, 2025, (the “**Effective Date**”) by and between **ASHLEY EQUITIES III, LLC**, a Florida limited liability company (“**Ashley**”), **PRUITT COMMERCE CENTER, LLC**, a Florida limited liability company (“**PCC**”) (collectively, PCC and Ashley are referred to herein as the “**Ashley Entities**”), and the **CITY OF FORT PIERCE**, a political subdivision of the State of Florida (the “**City**”).

**WITNESSETH:**

**WHEREAS**, the City, St. Lucie County, a political subdivision of the State of Florida (“**County**”) the Treasure Coast Education, Research and Development Authority, an authority established pursuant to Chapter 159, Florida Statutes (the “**TCERDA**”), and the Fort Pierce Utilities Authority, an authority created and established by the City Commission of the City of Fort Pierce, Florida (the “**FPUA**”) have entered into that certain Interlocal Agreement (the “**Original Interlocal Agreement**”) dated June 1, 2010, recorded in Official Records Book 3245, Page 1100, as amended by that certain First Amendment to the June 1, 2010 Interlocal Agreement (the “**First Amendment**”) dated January 29, 2025 and recorded in Official Records Book 5265, Page 166, all of the Public Records of St. Lucie County, Florida (collectively, the Original Interlocal Agreement and the First Amendment are referred to herein as the “**Interlocal Agreement**”); and

**WHEREAS**, pursuant to the Interlocal Agreement, the County agreed that it will not object to the City annexing certain property owned by the County (the “**Annexation Area**”) and the City agreed that it would not annex such property before the date that is two (2) years after the date of the First Amendment (i.e. not until on or about January 29, 2027); and

**WHEREAS**, Ashley owns and controls PCC, an entity that currently owns a sixty (60) acre parcel on King’s Highway adjacent to the Annexation Area and more particularly described in **Exhibit “A”**, attached hereto and by this reference incorporated herein (the “**PCC Parcel**”); and

**WHEREAS**, Ashley responded to a County Request For Proposals (“**RFP**”) in 2022 for the purchase of certain surplus land from the County for the purpose of developing that land to provide high paying jobs, consistent with the original vision of the TCERDA research park; and

**WHEREAS**, pursuant to the RFP, Ashley and the County entered into an Option Agreement (the “**Option Agreement**”) to purchase approximately eighty-nine (89) acres of land from the County, more particularly described and depicted in **Exhibit “B”** attached hereto and made a part hereof (the “**County Parcels**”); and

**WHEREAS**, the County Parcels lie within the Annexation Area, and are subject to the annexation requirements set forth in the Interlocal Agreement; and

**WHEREAS**, the Ashley Entities intend to obtain County approval of a master development plan for an industrial, commercial and warehouse distribution center on the PCC Parcel and the County Parcels to be developed as one project (the “**Project**”), consistent with the requirements of the Option Agreement (the County Parcels and the PCC Parcel are referred to herein collectively as the “**Property**”); and

**WHEREAS**, the parties desire to avoid any potential inefficiencies, delays or administrative burden to City staff that could result from the Project receiving part of its land development and/or construction approvals from the County, and additional or duplicative approvals from the City, each of which is subject to different municipal codes and review processes; and

**WHEREAS**, the parties desire to provide for the efficient permitting, construction and development of the Project in phases (each, a “**Phase**”), and for the annexation of each Phase individually into the City when completed, as further specified herein.

**NOW, THEREFORE**, the parties do hereby agree as follows:

1. **Recitals.** The above recitals are hereby affirmed as being true and correct and are incorporated herein by reference.
2. **Approvals to be Obtained for the Property.** The Ashley Entities hereby agree to pursue the following approvals from the County to develop the Property (collectively, the “**Approvals**”):
  - i. a master development plan for an industrial, commercial and warehouse distribution center,
  - ii. a phasing plan,
  - iii. a subdivision plat identifying and creating a separate lot for each Phase,
  - iv. a site plan for each phase of development,
  - v. construction permits for all infrastructure
  - vi. construction permits for all buildings, and
  - vii. certificates of occupancy upon successful inspection of completed buildings.
3. **County to Provide all Approvals.** The parties agree that to ensure an efficient construction approval process that avoids unnecessary delay to the Project and administrative burden to City staff, the Ashley Entities will obtain the foregoing Approvals from the County, along with any related permits or approvals that may be required to deliver the Project in accordance with the Option Agreement. If, however, Ashley Entities or their grantees, successors, or assigns do not obtain (a) the Approvals listed in (2)(i)-(ii) above within two (2) years after the Effective Date of this Agreement, or (b) a building permit for vertical construction within the Property from the County, no matter the reason or fault, within five (5) years of the closing of the transaction contemplated in the Option Agreement, the City may unilaterally terminate this Agreement with no prior notice to Ashley Entities required and annexation may occur pursuant to the Interlocal Agreement.

4. **Roads and Internal Drive-Aisles.** The Ashley Entities shall design and construct all vehicular drive-aisles within the Property to meet applicable standards set forth in the County approvals. Any improvements to off-site roads will be designed and constructed in accordance with applicable standards of the governmental jurisdiction governing the road at the time the road is designed.
5. **Timing of Annexation.** The City hereby agrees that with respect to the Property, the City will annex each Phase individually, and only after all construction is completed and all certificates of occupancy are issued for such Phase. The City shall not annex any Phase before the issuance of every certificate of occupancy that may be required for every building contained in such Phase.
6. **Reversion or Termination of the Option Agreement.** If the County Parcels revert to the ownership of the County pursuant to its Reverter Covenant under Section 4.1 of the Option Agreement, this Agreement shall automatically terminate upon written notice to Ashley Entities from City to be recorded in the public record by the City and annexation may occur pursuant to the Interlocal Agreement. If the Option Agreement is terminated, no matter the reason or fault, this Agreement shall automatically terminate upon written notice to Ashley Entities from City to be recorded in the public record and annexation may occur pursuant to the Interlocal Agreement.
7. **Destruction.** After annexation, in the event that all or a portion of any development within the Property should be damaged or destroyed by a storm, fire, or other event, the Ashley Entities or the grantees, successors or assigns of either shall have the right to rebuild and/or repair in compliance with the approved master site plan, final site plan(s), subdivision plat(s), and any related County development orders.
8. **Modification, Amendment, and Release.** This Agreement may not be modified, amended, or released, except by written instrument signed by the City and the Ashley Entities, provided that such modification, amendment, or release has been approved by the Board of City Commissioners after public hearing.
9. **Governing Law.** This Agreement and the construction and enforcement thereof shall be interpreted under the laws of the State of Florida. The parties hereto agree without reservation of any rights under federal or state law, that in any litigation arising under this Agreement, **THE PARTIES HERETO WAIVE THE RIGHT TO TRIAL BEFORE A JURY AND ALL SUCH LITIGATION SHALL BE LITIGATED ONLY IN A NON-JURY HEARING** in the State Courts of Florida, St. Lucie County.
10. **Successors and Assigns/ Rights of Assignment to Lender.** This Agreement shall be deemed to be a covenant running with the land and shall be binding upon the heirs, legal representatives, successors and assigns of the Ashley Entities and any person, firm, corporation or entity who or which may become the successor in title to the Property. All rights of the Ashley Entities hereunder may be collaterally assigned to any lender for the Property as security for any loan, and in the event of a foreclosure or deed-in-lieu of foreclosure, the lender and/or grantee of any deed-in-lieu of foreclosure, and their

respective successors and assigns, shall be bound by this Agreement and entitled to enforce the rights of the Ashley Entities hereunder.

Upon the occurrence of a Force Majeure Event, the non-performing party shall (i) make diligent efforts to expeditiously mitigate and remedy the problem causing such nonperformance, and (ii) provide prompt written notice to the other party after learning of a Force Majeure Event stating the nature and cause of the event, the anticipated length of the delay, the measures proposed or taken by the non-performing party to minimize the delay and approach to resume full performance under this Agreement, and the timetable for implementation of such measures.
