Subject: Bid Response Revision

Good afternoon,

Following our phone conversation today, this message is to confirm our discussion regarding the revision of the Bid Response Form for Bid #2025-027 from De La Hoz Builders, LLC.

We agreed to revise the scope of work to exclude the renovation of Bathroom #2 and the replacement of the kitchen cabinets and sink. These adjustments were made to align with the approved residential rehabilitation budget, which must remain under \$100,000.

Please let us know if any further clarification or documentation is needed.
