Measurements of the Wall: 25 FT x 25 FT (625 sqft)

Mural Concept: Project Lift is a charity helping teens and young adults in the Fort Pierce Community in mental health and substance abuse with the behavior replacement of the trades. We would like the mural to be a student welding.

Benefits to the area: Project Lift has served over 300 teens and young adults in the past three (3) years in Fort Pierce. Many of who were refereed to us by the school or court. This mural will bring attention to out mission in helping our local teens by showcasing our work with the trades and job placement along with a high school diploma.

722 ORANGE AVENUE \$5,760

722 Orange Avenue

Fort Pierce, FL 34950

Proposed Location: Parapet facing South on Orange

Measurements of the Wall: 75 IN x 46 FT (288 sqft)

Mural Concept: The western side of the property will be BBQ restaurant, while the east side serves as a retail art studio. We would like a vibrant, pop-art style collage, featuring a pig on the west side, a peacock in the center, and something artsy on the east side. We are leaving as lot of room for artist interpretation and ideas, go wild.

Benefits to the area: We support the Peacock Arts District's goal of beautifying the area, supporting the arts, and making the PAD a colorful and interesting place to visit/tour. We hope this mural will be another step towards bringing tourism and economic benefit to the neighborhood.
