These are the plans for outside.

We are planning several key renovations to enhance the overall appearance, functionality, and safety of our facility. These improvements include upgrading the landscaping, repaving the parking lot, and adding exterior lighting. Enhancing the landscaping will significantly boost the property's curb appeal, creating a more welcoming and attractive environment for families and community members. Replacing and repaving the parking lot will not only improve its visual appeal but also provide a smoother and safer experience for vehicles and pedestrians. Additionally, the installation of upgraded lighting throughout the exterior areas will greatly increase safety, particularly during early morning drop-offs and evening events—benefiting the students we serve and the surrounding community. Together, these improvements reflect our commitment to maintaining a secure, inviting, and community-oriented educational space.
