

Hello,

Please utilize this application over the one submitted on 06/17/25. St. Lucie Glass provided us multiple estimates for multiple properties at once, all titled "Galleria", unfortunately the estimate submitted was not actually the one for the Galleria. Attached is the correct one. I deeply apologize for the mix up. If you have any questions or concerns, please feel free to reach out to me at 772-340-6967.

**TERMS & CONDITIONS**

- For the price stated, D&L Sandeen General Contracting, LLC, now known as the Seller, agrees to furnish all materials (the "Materials") and labor for job described. This is a firm offer- Seller shall obtain the construction permit (if needed) to perform the work requested by Buyer. The permit cost will be added to contract total unless otherwise stated. Acceptance by the Buyer must be on the exact terms and conditions herein and any additional or different terms shall constitute a counteroffer by Buyer. In the event of typographical, mathematical or human error in this contract, as reasonably determined by Seller, the parties hereby agree to immediately correct such error in this contract. This proposal price will be honored for 30 days.
- This proposal does not become a contract until accepted and signed by an authorized representative or officer of Seller and, if not accepted, payment shall be returned (if received). Sellers terms shall prevail over Buyers terms at all times. Seller reserves the right to cancel this contract or any part thereof, without penalty, if Buyer fails to comply with the terms and conditions or fails to make any payments within the time specified. In addition, if this contract covers the installation of more than two residential dwellings, then Seller reserves the right to terminate this contract for any reason with respect to any residential dwelling which Seller has not commenced work with respect thereto by giving 3 days written notice to Buyer. Materials returned without the written permission of the Seller will not be accepted for replacement or credit. In the event this contract is signed by a corporation, the signer hereby agrees to guarantee payment personally.
- All balances due under this contract are due and payable upon COMPLETION OF INSTALLATION OF THE MATERIALS by Seller without notice or demand and shall bear interest from such date at the lesser of 18% per annum and the maximum legal rate. If Buyer requests a delay in the installation of the Materials after the date of this contract, then interest shall accrue from the date of such requested delay. In the event payment of this contract is enforced through attorneys or by suit or in bankruptcy or probate proceedings, Seller shall recover and Buyer hereby agrees to pay all reasonable attorney fees and costs of court incurred by Seller.
- Seller expressly reserves all of Sellers mechanics and materialmen liens which may be asserted under any provisions of law to secure payment of the contract price and may claim the same as a lien upon real property on which the installation of the Materials is made. If the Buyer is a commercial legal entity, Buyer grants to Seller, perfected, first lien purchase money security interest in and to the Materials, governed by the Uniform Commercial Code in the State of Florida (the UCC"). If Buyer is a commercial legal entity, this contract shall constitute a valid financing statement and may be filed by Seller and upon default by Buyer; Seller shall have all remedies set forth in the UCC. No UCC security interest is granted to Seller if Buyer is a consumer.
- Product warranty is per manufacturer. Any balance not paid when due will render any warranty given by Seller hereunder to be automatically NULL AND VOID for all purposes.
- Seller agrees to take reasonable steps to ensure the fulfillment of orders received, but performance is subject to, and Seller shall not be liable for, any and all delays or cancellations caused by war, accidents, strikes, inability to secure labor and raw materials, fires, inclement weather conditions, rainy or windy weather, embargoes, transportation shortage and delays, government conscription, priorities, and failure on Buyers part to give notice of requirements and/or proper measurements and other information, and all other causes beyond Seller's control affecting the whole or any part of Seller's obligation hereunder.
- Seller shall make any changes to the Materials and the work which in its judgment maybe necessary while on the jobsite in order to properly install the Materials and to comply with applicable building codes, regulations, and laws. In the event any additional work or modifications of the work is necessary due to the conditions existing at the time construction commences which are unknown and not obvious (and whether reflected in the construction drawings or not). Seller reserves the right to charge the Buyer the necessary sum to complete all additional work or to cancel this contract and receive payment for all work completed up to such time.
- D&L Sandeen General Contracting, LLC is not responsible for painting, damage to stucco, drywall, broken sills, tile, or anything else pertaining to interior and exterior finish work unless otherwise specific exceptions are stated on page (1) of this contract as an additional term. D&L Sandeen General Contracting, LLC does not manufacture glass, thus this is a manufacturing problem and it will be handled by the glass manufacturer. Depending on the severity of the distortion or waves and weather it meets ASTM Standards, it will be the discretion of the glass manufacturer whether the glass will be replaced or not.
- All risk of loss is passed to Buyer upon delivery of the Materials to the jobsite and Buyer shall be solely responsible for any theft, damages, vandalism, or other loss thereto. Seller will retain title to the Materials until payment in full of contract price has been made.
