COMMERCIAL GENERAL LIABILITY COVERAGE FORM.

- A. Under **SECTION II - WHO IS AN INSURED**, the following is added:

A person or organization is an Additional Insured, only with respect to liability arising out of "your work" for that Additional Insured by or for you:

- 1... If required in a written contract or agreement; or
2. If required by an oral contract or agreement only if a Certificate of Insurance was issued prior to the loss indicating that the person or organization was an Additional Insured.

- B. Under **SECTION III - LIMITS OF INSURANCE**, the following is added:

The limits of liability for the Additional Insured are those specified in the written contract or agreement between the insured and the owner, lessee or contractor or those specified in the Certificate of Insurance, if an oral contract or agreement, not to exceed the limits provided in this policy. These limits are inclusive of and not in addition to the limits of insurance shown in the Declarations.

- C. **SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS**, is amended as follows:

1. The following provision is added to **4. Other Insurance**:

This insurance is primary for the Additional Insured, but only with respect to liability arising out of "your work" for that Additional Insured by or for you. Other insurance available to the Additional Insured will apply as excess insurance and not contribute as primary insurance to the insurance provided by this endorsement.

2. The following provision is added:

Other Additional Insured Coverage Issued By Us

If this policy provides coverage for the same loss to any Additional Insured specifically shown as an Additional Insured in another endorsement to this policy, our maximum limit of insurance under this endorsement and any other endorsement shall not exceed the limit of insurance in the written contract or agreement between the insured and the owner, lessee or contractor, or the limits provided in this policy, whichever is less. Our maximum limit of insurance arising out of an "occurrence", shall not exceed the limit of insurance shown in the Declarations, regardless of the number of insureds or Additional Insureds.

All other policy terms and conditions apply.

3) Being disposed of, stored, treated or processed into or upon the "auto";

(c) After such "pollutants" or property containing "pollutants" are removed from the "auto" to where they are delivered, disposed of or abandoned by you or anyone acting in your behalf.

c. (1) (a) above does not apply to "pollutants" that are needed or result from the normal mechanical, electrical or hydraulic functioning of the "auto" or its parts, if the discharge, release, escape, seepage, migration or dispersal of such "pollutants" is directly from a part of the "auto" designed to hold, store, receive or dispose of such "pollutants" by the "auto" manufacturer.

c. (1) (b) and c. (1) (c) above do not apply, if as a direct result of maintenance or use of the "auto", "pollutants" or property containing "pollutants" which are not in or upon the "auto", are upset, overturned or damaged at any premises not owned by or leased to you. The discharge, release, escape, seepage, migration or dispersal of the "pollutants" must be directly caused by such upset, overturn or damage.

(2) Any loss, cost or expense arising out of any:

(a) Request, demand or order that any insured or others test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants"; or

e. "Bodily injury" or "property damage" for which the insured is obligated to pay damages by reason of the assumption of liability in a contract or agreement. This exclusion does not apply to liability for damages:

(1) Assumed in a contract or agreement that is an "insured contract", provided the "bodily injury" or "property damage" occurs subsequent to the execution of the contract or agreement. However, if the insurance under this policy does not apply to the liability of the insured, it also does not apply to such liability assumed by the insured under an "insured contract".

(2) That the insured would have in the absence of the contract or agreement.

f. "Property damage" to:

(1) Property owned or being transported by, or rented or loaned to any insured; or

This exclusion does not apply to:
