Im attaching a heartfelt request for a reduction of fines and the removal of a lien on my property. I purchased this property as a long term investment for residual income after retirement. Unfortunately it came with overwhelming financial difficulties that has depleted my savings requiring additional loans. The fines and penalties tied to the property at this point is unaffordable not to mention has far exceeded the property current value.

As a single mother preparing to send my child to college this is a HUGE burden! This current situation place me at risk of Bankruptcy or COMPLETELY loosing the property despite my best efforts to manage and rectify everything responsibly.

Im asking the city of Fort Pierce (St Lucie Co) to please , please consider my situation with fairness, compassion and a lil empathy. I work a 9 to 5 , not a big time (big money) investor so im hoping (praying the reduction reflects that . I was born and raised here . I believe in the strength and humanity of the city and court system., do i trust that you will weigh my request with understanding. Lastly id like to add that i secured a reputable, licensed GC (General Contractor) who successfully completed the demolition work that's ready to assist me in the near future with my rebuilding when im ready the right way !!

Sincerely
Sharon Johnson
