Under old business, the committee discussed several upcoming events and activities. The Youth Council Legislative Action Days program was announced for March 25-26, 2025, to be held in Tallahassee. The Community Services Contest, scheduled to begin in January, was reviewed, with Ms. Moore offering to provide examples at the next meeting. Discussion then turned to the Video Competition, set to begin in August of the following year, which will showcase the council's activities and community involvement. Members learned that past participants would be eligible to participate in the competition even after graduating and heading to college. The Council to College Scholarship program was also presented, with Ms. Moore agreeing to distribute application deadline information to all members.

7. **NEW BUSINESS**

a. Council Training

1. Linda Cox, Acting City Manager

The meeting featured a presentation from Linda Cox, who serves as both Acting City Manager and City Clerk of Fort Pierce. Ms. Cox explained the city's governmental structure, describing how the Mayor and City Commission oversee three charter officers: the City Manager, City Clerk, and City Attorney. She detailed her responsibilities as Acting City Manager, which include overseeing all city operations and managing more than 300 employees across twelve departments, including Police, Animal Care and Shelter, Planning and Zoning, and Administrative Services. In her ongoing role as City Clerk, which she has held for eleven years, she manages city documentation and handles citizen inquiries.

Ms. Cox addressed several current challenges facing Fort Pierce, including the complexities of city boundaries and annexation processes. She outlined major ongoing projects managed by the City, such as the St. Anastasia building reconstruction on Orange Avenue and the renovation of the Seven Gables House Visitor Center. The presentation covered the city's approach to addressing homelessness through partnerships with the Treasure Coast Homeless Coalition and dedicated police outreach, as well as challenges with housing affordability affecting the city's first-time homebuyer program. Ms. Cox mentioned that Mayor Linda Hudson is knowledgeable about the city's history, and might provide a future presentation to the Council.

b. Youth Award Recognition Program

This item was postponed to the January 16, 2025 meeting.

c. **EMPOWER YOUTH Labor of Love**

A significant portion of the meeting was devoted to discussing a proposed youth volunteer program designed to assist senior homeowners struggling with code enforcement compliance. Ms. Marsha Commond, Special Projects Coordinator/Office Manager from Public Works, shared insights from her experience with Fort Lauderdale's "Adopt a Neighbor" program. The proposed initiative would require coordination between Code Enforcement, which would identify eligible homeowners, and Public Works, which would provide technical expertise and oversight for volunteer teams.

The Council engaged in detailed discussion about implementation timing and scope, ultimately deciding to start with a pilot program of one or two homes. Members considered various factors, including the timing of the hurricane season and academic testing periods, while focusing specifically on addressing regular maintenance needs for homeowners. Ms. Commond recommended examining similar programs in other cities to develop effective guidelines, noting that the proposal would require City Commission approval due to resource requirements.

To move the project forward, specific assignments were distributed among council members. Chairperson Janessa Diaz will continue developing qualification criteria with Code Enforcement, while Naom Hypolite will coordinate with Public Works regarding volunteer support and technical expertise requirements. Emily Maldonado was tasked with creating a promotional strategy to engage youth volunteers.

8. **COMMITTEE AND STAFF COMMENTS**

The meeting concluded with a brief lesson on parliamentary procedure by Ms. Moore, who reminded the members about the correct protocol for making and seconding motions for adjournment. The meeting was then properly adjourned.

9. **ADJOURNMENT**

Motion was made by Emily Maldonado and seconded by 2nd Vice Chair Naomi Hypolite to adjourn the meeting at 5:13 PM.

All were in favor. None opposed. Motion passed.

In accordance with the Americans with Disabilities Act and Section 286.26, Florida Statutes, persons with disabilities needing special accommodation to participate in this meeting should contact the City Clerk's Office at (772) 467-3065 at least 48 hours prior to the meeting.

Labor of love

Thursday, January 09, 2025 3:00 PM

- Range of people we want to target for the project
- Qualifications they must meet
- Aim for the project including , data of how many people would be needed in order to initiate the start of the p
- Ways to test out the project first so that way we can get an idea of
 1. how many supplies is needed
 - 2.how many volunteers/seniors we should take on
 - 3.costs of the supplies or even if the seniors should supply the supplies while we supply the labor
- Why we need a project like this in fort pierce
- Why it would make a difference within our community

Person 1

Thursday, January 09, 2025 3:01 PM

1-Good evening, today we as the Fort Pierce City youth council would like to introduce our project Called labor of love

5- That is what this project is aimed to focus on, we as youth aim to help those in need of care be it mowing a lawn or two, or even painting a couple of walls this project aims to help those who cannot help themselves.

10- if as a council you need another sure way to get this idea into a reality a good way we have came up with is a mock program where we can get the specifics of the program figured out like the amount of supplies we would need, the amount of seniors to youth ratio we should have as well as the cost of things if approved going forward.

Person 2

Thursday, January 09, 2025 3:35 PM

2-Labor of love is a project we as group put together in hopes of helping out a huge population within Fort Pierce that doesn't get discussed much which includes seniors, seniors with disabilities, as well as veterans.

6 – this project also aims to give opportunities for not only seniors but as well as youth to be able to connect with this part of our community building relationships and memories we can carry throughout or lives

11-with that concluding our presentation we would like to add that in order to make our city great we should start at its roots.

Person 3

Thursday, January 09, 2025 3:35 PM

3-A huge percentage of Fort pierce has always consisted with this particular demographic with that being said it has also consisted of people who are in need of particular help

7- while doing research we discovered how important a project like this was for instance did you know that 46 percent of fort pierce is on the poverty line with 11 percent of that being 60 and older?

12- the roots of this city is our seniors and as youth it is our job and our duty to see to helping those who make up the base of our community

Person 4

Thursday, January 09, 2025 3:35 PM

4- Things that we do on a day to day basis like mowing the lawn, painting fences or walls, trimming hedges or even cleaning out the gutters are a stuff that might be difficult for senior citizens.

8- now you might think that a low number but when you take in the break down of that its still higher than it should be and as fort pierce is growing so will that rate which is why we decided on some qualifications for this program as a group like 1. income level 2. state of disability or reason as to why they need our help 3. state of fine or foreclosure

13- with that is there any questions that anyone has? (questions will be answered by chair)

Person 5

Thursday, January 09, 2025 3:35 PM

5- A lot of senior citizens don't have family, friends or even the money to be able to help themselves with chores as basic as these ones and eventually with enough build up they receive fines or even foreclosure notices.

9- and 4. family in the area that is able to provide a helping hand. Qualifications can and may increase or decrease once we get a feel of how things should go. this program is a need for the community to not only try and lower numbers of people in need but as well put a helping hand in the face of those who need one
