RE: Letter of Support for the Boys and Girls Club 2027 Community Funding Project

Dear Congressman Mast:

On behalf of the City of Fort Pierce, we wholeheartedly pledge our support for the neighborhood Clubhouse in Lincoln Park for the 2027 Community Funding Project being proposed by Boys & Girls Clubs of St. Lucie County (BGCSLC).

Fort Pierce has had a long and successful history of partnering with BGCSLC to benefit youth in grades K-12 to deliver high quality academic, career and workforce readiness, social, and recreational programs and services in our communities. Youth development programming in an area beset with generational poverty facilitates avenues of success that will guide our youth to become caring, productive, and responsible members of our community.

We look forward to supporting Boys & Girls Clubs of St. Lucie County to benefit youth in our community.

Sincerely,

Linda Hudson
Mayor
