Hi Ciara and Lt. Fasanello,

Lt. John Fasanello may be the point person for this getting to our Commission. I've included him in the email here.

Lt., please be aware that this version of the Everbridge ILA that's attached to the email is the one to be used for presentation to the Commission and signature. This is the same ILA we reviewed, just without the grammatical changes. Let me know if you have any questions.

Thank you!

We will ensure that future documents are sent to all parties simultaneously to avoid this situation in the future.

Who should we work with to get a signed copy?

Thanks!
