About Shatell Hypolite.pdf

## ***Shatell Hypolite***

To Whom It May Concern,

I am writing to express my interest in serving on a committee for the City of Fort Pierce as a community representative. As a longtime resident who is raising my children, and now my grandchild here, I am deeply invested in the decisions that shape our city's future. I would be honored to contribute a resident-focused perspective rooted in service, balance, and accountability.

My professional background includes experience in healthcare, business operations, and project management. I worked in both the front and back offices of a family medical practice, developing effective communication, organization, and customer service skills. I also managed a transportation company, overseeing dispatch operations, rate negotiations, and administrative functions. Through my company, Cardinal Operations LLC, I bring added experience in project management and proposal writing, with a focus on clear documentation, process, and responsible outcomes.

Community involvement has been a consistent priority for me for approximately two decades. I have served in leadership and advisory roles across early childhood, elementary, and middle school communities, including board service with The Agricultural and Labor Program, Inc. (ALPI) Head Start. My school-based involvement includes past service with the Forest Grove Middle School PTO, and ongoing engagement at Fairlawn Elementary Magnet School, where I currently serve on both the Parent Teacher Organization (PTO) and the School Advisory Council. I also serve on the Fort Pierce Westwood School Advisory Council and the St. Lucie County School Board Advisory Council. These roles have allowed me to work collaboratively with families, educators, and community stakeholders to support thoughtful, community-centered decision-making.

At the City level, I currently serve as Vice Chair of the Parking Committee, a member of the Infrastructure Surtax Oversight Committee, and an adult volunteer on the City Youth Council Committee. These appointments have strengthened my understanding of municipal processes and reinforced the importance of transparency, listening, and balanced recommendations.

As a licensed real estate agent, I work closely with families navigating important life and financial decisions, further reinforcing the value of fairness, clarity, and accountability particularly when serving in a community representative capacity rather than as a technical or trade professional.

Fort Pierce is not only my home, but the place where my family continues to grow. I care deeply about the long-term well-being of this city and believe strong communities are built through civic engagement, respectful dialogue, and residents willing to serve with integrity.

Thank you for your time and consideration. I would welcome the opportunity to continue serving the City of Fort Pierce and contribute meaningfully as a voice for the community.

Respectfully,  
Shatell Hypolite
