I believe I would be a strong addition to the Affordable Housing Board because I bring both professional experience and lived community insight. As a resident of Fort Pierce with seven years of real estate experience, I have firsthand knowledge of the housing challenges facing our community. I have worked closely with the City on affordable housing initiatives, including the SHIP grant program, giving me a clear understanding of how these programs impact residents and how they can be effectively implemented. In addition, my experience working for a builder who has developed homes throughout the City of Fort Pierce has allowed me to understand the full development process—from planning and compliance to construction and delivery. This combination of local involvement, industry knowledge, and hands-on experience positions me to contribute thoughtful, practical, and community-focused input to the board.
