Hello Mr. Thomas

I wanted to drop a note to you regarding Ms Santiago. We have had the pleasure of dealing with her on a very difficult job we just completed in Ft. Pierce.

Her professionalism and prompt responses are unmatched in all the experiences we have had with building departments we have had contact with throughout the country.

It is rare when you find anyone so helpful working at any building dpt. anywhere

She made a very difficult job as easy as it could be

She must be quite a credit to your staff there.

Thanks

Tim Makarius
