Re: Florida Shared-Use Network (SUN) Trail

Dear Mr. Buchwald,

Thank you for presenting the Sun Trail Port of Fort Pierce Connector Feasibility Study recommendations at the City Commission meeting on September 9, 2024. We are excited about the potential to fill some of the connection gaps. After reviewing the multiple options, the Sun Trail Port Connector Preferred Alternative that presented was endorsed by the City Commission.

The Commission encouraged staff to continue to work with the Florida Department of Transportation and the TPO to obtain the \$1.1 million Sun Trail funding for the design of Phase 1.

If you have any questions, or need any additional information, please don't hesitate to contact us.

Sincerely,

A handwritten signature in blue ink that reads "Linda Hudson".
