RE: RESOLUTION TO CONVERT NORTH 13TH STREET PLAZA TO CITY PARK

RLS: 26-225

DATE: JUNE 11, 2026

Thank you for sending the above reference Request for Legal Services (RLS) for review. Please see the attached redline with recommended revisions. The resolution as revised is approved as to legal form and correctness.

Please note that if the City desires to name the park, it should be done in accordance with Resolution No. 18-R52.

Please also note that the City Code does not appear to set forth a procedure for designating City Parks and the City has done so via Resolution (see e.g., Reso. No. 10-39 (Moore's Creek Linear Park) and Reso. No. 11-27 (PAL Park)) and Ordinance (see e.g., 28-34 (Surfside Park)) in the past. Either approach is acceptable.

If you have any questions, please do not hesitate to contact this Office via phone or email.

Thank you.
