Describe your professional background and what expertise you will bring to this Board. (Attach your resume or other applicable information below if desired) *

I am currently employed with the Florida Department of Health, where I have dedicated my career to serving the public and improving the health and well-being of our communities. I am seeking the opportunity to further contribute to the City of Fort Pierce by serving on the Historic Preservation Board. As a resident of Fort Pierce since 2010, I have developed a genuine appreciation for the city's history, culture, and architectural character. I believe preserving these historic assets is essential to maintaining the identity of our community while supporting responsible growth and redevelopment. My professional background has provided me with knowledge and experience in land development, architecture, real estate, utilities, and property management. These experiences have strengthened my ability to evaluate projects from multiple perspectives, balance competing interests, and make thoughtful, informed decisions that serve the best interests of the community. I believe these skills would allow me to make meaningful contributions to the Historic Preservation Board's review and advisory responsibilities. My interest in historic preservation was sparked through visits to the Cobb Coastal Center and the historic photograph collections highlighting Fort Pierce's past. Seeing how the city's history has been preserved and shared with residents and visitors inspired me to become more actively involved. I have great respect for the staff and volunteers whose dedication to preserving Fort Pierce's heritage demonstrates the importance of protecting our historic resources for future generations. I value collaboration, community engagement, and thoughtful decision-making. As a public servant, I understand the importance of listening to diverse viewpoints, acting with integrity, and making recommendations that are fair, objective, and consistent with the City's goals and ordinances. I am committed to being a reliable, prepared, and engaged board member who contributes positively to discussions and supports the preservation of Fort Pierce's unique historical and cultural identity. It would be an honor to serve on the Historic Preservation Board and use my professional experience, community knowledge, and passion for Fort Pierce to help preserve the city's historic resources.
